[Does Copper Wear Compression Clothing Really Work My Experience...](#)

★★★★★ **Pleased beyond belief over how this really works.**

Size: 39 - 50 Inch | **Verified Purchase**

The belt has been a life saver. I have been yelling from the rooftops how wonderful this belt is and what it has done to easing my chronic back pain. I have shared the info and brand name with friends, family , and even my chiropractor and let me share with anyone that reads this review.

★★★★★ **This really works!**

Size: 39 - 50 Inch | **Verified Purchase**

Bought this for my husband based on the reviews. After wearing the belt for 25 minutes he was pain free! He still has aches and stiffness but no pain when he wears the belt. He can sleep with it and it is not noticeable under clothing. Highly recommend this product.

★★★★★ **Awesome Product!!**

Size: 28 - 39 Inch | **Verified Purchase**

Never thought a product like this would work, as I'm always skeptical. Well, this product works exactly as advertized. Don't settle for substitutes, this one works!
